Our Elements

Cakrayudha's 3 Key Elements
to ensure the ultimate safety of all
whom we serve

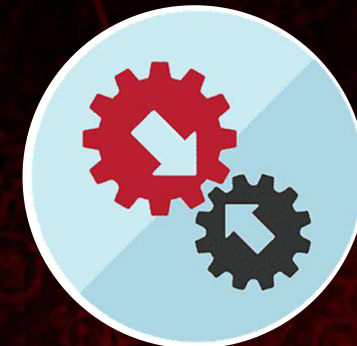

PEOPLE

This refers to all measures undertaken to recruit, train, and manage Security personnel, grounded in Knowledge, Skills, and Attitude in providing security services, including discipline, uniforms, and personal appearance that impact professionalism and service effectiveness

APPROACH

The System Approach is an integrated and continuously improved method that strengthens internal and external coordination. It is based on logical and systematic problem-solving, including the development and implementation of SOPs, LOPs, security regulations, and operational guidelines

TECHNOLOGY

The technology system consists of interconnected components designed to support specific functions and objectives, namely My Cakrayudha
